

UNLEASHING IMAGINATION, ONE HUE AT A TIME

It was an engaging week where children explored and identified various colours through interactive and creative exercises.

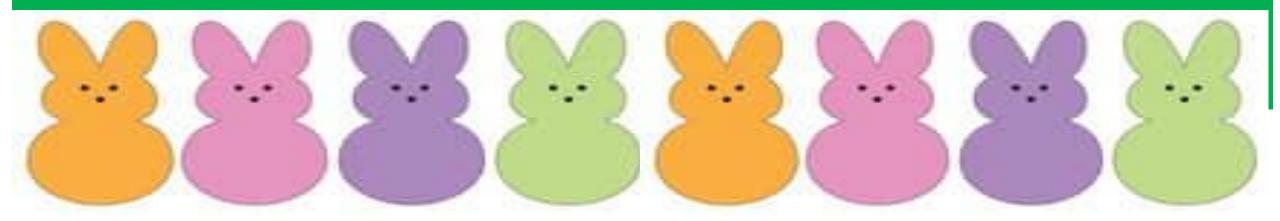

Easter celebration in a fun and creative way! Children made Easter bunnies using paper plates.

CELEBRATING EARTH DAY

Our children began the week with a special assembly on Earth Day, where they took the initiative to bring placards on environmental themes. They also shared thoughtful messages to raise awareness about the Earth and ways to protect it from various threats.

Hand Printing

on 23rd April 2025

A creative way to leave a mark on Earth Day. Our children expressed their commitment to the environment by enthusiastically participating in a fun-filled hand-printing activity.

on 24th April

As part of this activity, our children made a model of the Earth, using crumpled paper, creatively highlighting the importance of recycling and reusing materials to promote a safe and healthy

CAR POOLING RACE

on 23rd April

SHARING RIDES, SAVING TIME AND THE PLANET – CARPOOLING AT ITS BEST!

Through this creative activity, our children explored the concept of carpooling, by pairing up and imagining shared commutes—learning how travelling together can help reduce traffic, lower pollution, and make a positive impact on the environment, all the while enjoying the

journey.

'Clean it up' race

The 'Clean it up' race was a fun and competitive activity where participants raced to collect and properly dispose off litter, in a designated area. The activity encouraged children to embrace environmental responsibility and highlighted the importance of keeping

their curroundings nest and clean

'WATERING THE **PLANTS'** RACE

"Watering the Plants" race was a fun and engaging activity, designed to promote environmental awareness and instill a sense of responsibility toward nurturing nature

A glimpse into our impactful initiatives, promoting sustainability and environmental awareness. Our children enthusiastically participated in various activities, including plant potting, to understand the importance of

growing trees and nurturing nature.

'MOTHER'S DAY' card making activity

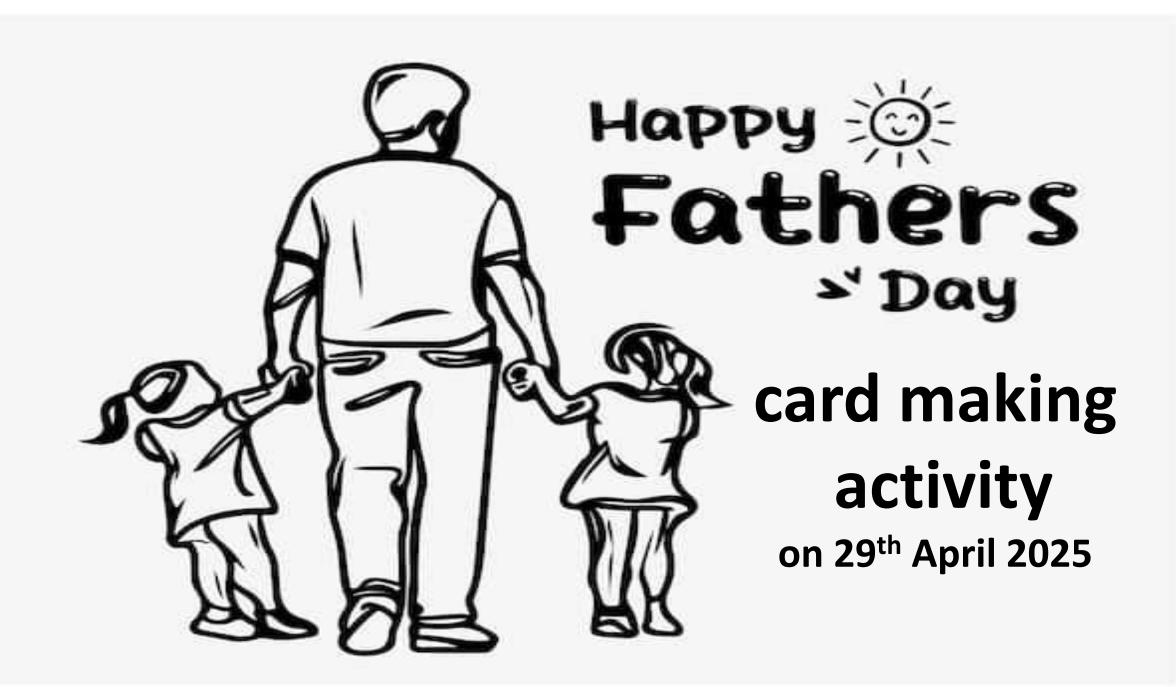

Our children celebrated the special bond between a mother and child by making beautiful cards for their mother. This heartfelt activity

encouraged reflection, appreciation

and croativity

The special bond between a father and child was celebrated as our kids made beautiful cards for their father. This thoughtful activity fostered reflection,

appreciation and creativity.

INTRA AND INTER-CLASS HINDI RECITATION COMPETITION was held for Nursery and KG

Through Hindi recitation, our girls showcased their verbal abilities, gaining confidence and strengthening their mother tongue.

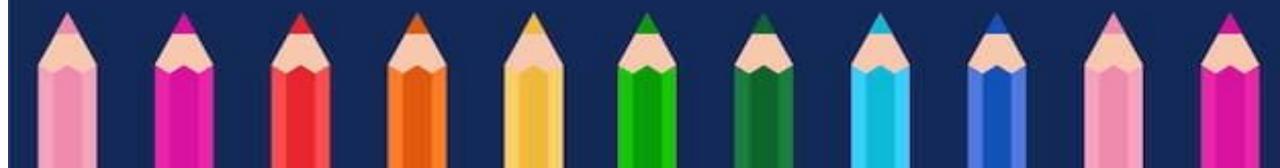

Colouring Competition was conducted for Nursery and KG

Students were given themed worksheets to colour. The young learners thoroughly enjoyed exploring colours while expressing their creativity and imagination.
